

Good Morning Lisa,

Congratulations on another great KACTFO Conference! It was so touching and meant so much to me for what you all did for me at the conference. I can't wait to play Lassing Pointe. I have always wanted to play that course so now I will...several times!

I have had a wonderful career and it's hard to believe that it's coming to an end. I have been truly blessed with great coworkers and for the opportunity to work for the best agency in state government. But most of all, I have been blessed to have worked with so many wonder people in the counties. I really, really mean it when I say that you all (treasurers and finance officers) are the most important and often most under appreciated people in all of government. You all do so much that never gets noticed. I just want to let you and everyone with KACTFO know how much I appreciate each and every one of you and the undying respect I have.

You don't say "goodbye" to family and that's what you are...family. I don't plan to lose touch and I hope that you all will keep in touch with me as well. To help everyone stay in touch you can reach me by email at tomcat5755@yahoo.com and my cell is (859)333-1241.

I look forward to seeing everyone again soon.

With Highest Regards,

Tom
