To County Treasurers & Finance Officers:

As most of you know Judge Butler [Metcalf County] was defeated by 181 votes in the November race and I am resigning the as County Treasurer and all other positions I now hold effective. It has been an honor to serve with Judge Butler and I am so very proud to been part of his team.

I want to express to each of you how very much each of you mean to me. I never once asked of any of you that you were not always willing to help me. Our professional relationship has been great and the friendships that have developed from the association can never be taken away from me and will always remain in my heart. I am proud of the progress the association has made in the past and look forward to seeing an even stronger association in the future.

In January I will finalize my books and do my quarterly and then wait for the auditors. I have several offers and options, however, after working for county and state government 37 years, I am going to take a little break before I commit to anything.

Wishing each of you a wonderful holiday season and a great new year! I would love to hear from ya'll.

Martha C. Richardson
